

For the Latest in Commodity & Regional Coverage . . .

Visit the ERS website for up-to-date situation and outlook coverage of major commodities, the U.S. farm economy, and agricultural trade, and for key country and regional agricultural reports emphasizing trade developments. Monthly reports are available on major field crops and livestock.

To access these reports, go to the ERS website at www.ers.usda.gov and click on "Outlook Reports."

For the latest news on a specific commodity or topic, select from Outlook Reports. These include monthly electronic releases on major field crops and animal products, and periodic reports for specialty crops, U.S. farm income and finance, and international coverage.

For a roundup of the current marketing year's events, select from Annual Yearbooks and Reports on a number of major crops. These reports feature special articles on timely topics, and statistical tables with official government data on prices, production, use, and trade.

Free e-mail subscriptions are also available. Click on "Periodicals" then "E-mail subscriptions" on the ERS website, scroll down, and choose from the list.

Printed copies of a number of reports are available. Call 1-800-999-6779 for information on ordering printed copies.
